

# Chinomso Nwachukwu

Chief Financial Officer, Nigeria

Chinomso, as Chief Financial Officer (CFO) for Nigeria, has oversight over financial strategies and operations for our flagship operations in Nigeria, providing strong support to the Group CFO, having previously served as Group Financial Controller.

With 13+ years cumulative experience, she is a veteran Finance Manager with comprehensive experience in audit of financial statements in the manufacturing and telecommunications industries. Before joining Interswitch in June 2015, Chinomso had invested over 9 years in Audit Services in Big-4 firms, rising to Manager with PricewaterhouseCoopers Nigeria.

Her expertise covers statutory and regulatory compliance, financial reporting, and accounting in accordance with GAAP, financial management and analysis, business analysis, and financial advisory.

A Biochemistry graduate of the Imo State University and an Associate Member of the Institute of Chartered Accountants of Nigeria Chinomso recently completed a course on the Emerging CFO program with the Stanford Graduate School of Business San Francisco and is currently completing a Global Executive MBA programme at Imperial College Business School in London.
