

Franklin Ali

Group Chief Human Resources Officer

Franklin Ali is a seasoned HR professional with expansive multi-industry experience across Financial Services, Oil and Gas, FMCG and Technology.

He began his career as an L&D specialist, Business Partner for West Africa at UBA, before proceeding to Nest Oil where he worked as an HR generalist. He later joined TGI as the Senior Manager, Business Partnering and Talent Management.

He joined Interswitch in 2019 as the Group Head, Organisation & Talent Management and eventually progressed to become the Chief Human Resource Officer for Nigeria. With experience spanning more than a decade, Franklin has consistently demonstrated expertise and knowledge in developing and delivering talent management strategies for organizational development, HR process re-engineering and business partnering. Among other licenses and certifications, Franklin is a graduate of the Ambrose Ali university, where he bagged his first degree in Industrial Chemistry.

He also holds a masters in Diplomacy and Strategic studies from the University of Lagos.
