

# Titilola Shogaolu

SVP, Business Operations

**Titi is a seasoned professional with over 14 years of industry experience. She joined Interswitch in 2004 and has since served the organization across a range of roles.**

Over the years, she has held responsibilities spanning Operations, Product Management, Sales, Key Account and Customer Value Management, and Project Management. Prior to her appointment as Divisional CEO, Interswitch Financial Inclusion Services Limited in 2018, she served as Chief Payment and VAS Officer in 2012. She later became Group Head, Social Systems and Services within the Industry Vertical Markets Division in 2014, where she oversaw the Education, Government, Power, and Transport industry verticals.

Titi is an alumnus of Cardiff University of Wales, where she obtained a first degree in Business Economics and a Master's degree in Business Administration.
