

Interswitch Corporate 360

The Corporate Payments Platform Built for Enterprise Efficiency. Simplify your financial operations and make smarter decisions with real-time visibility across all accounts with Interswitch Corporate 360.

Overview

Your organization handles thousands of transactions daily: vendor payments, tax remittances, utility bills, staff disbursements. Managing them across different systems can slow down decisions, create bottlenecks, and increase risks.

That's why we built **Interswitch Corporate 360**, a unified payments and financial management platform that gives your teams clarity and control at every step.

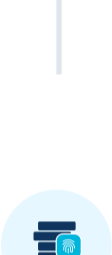

Key Highlights

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Suspendisse varius enim in eros elementum tristique.

Consolidate Everything

View all bank accounts and payment channels in one dashboard.

Make Bulk Payments Easily

Pay multiple vendors, employees, or service providers in a single transaction.

Improve Cash Flow Visibility

Get a clear snapshot of inflows and outflows across your business.

Stay Compliant

Automate tax and statutory remittances across states without the manual hassle.

Enhance Security

Control access with role-based permissions and full transaction traceability.

Integrate Seamlessly

Connect directly to your ERP system for smooth reconciliation and reporting.

Every transaction, movement, and payment is tracked, improving operational efficiency, enhancing user experience, and ensuring every naira is accounted for.

Benefits

- 1 Save time with automated workflows
- 2 Improve transparency across teams
- 3 Enhance decision-making with accurate data
- 4 Strengthen compliance and governance

These inefficiencies cost organizations time, money, and customer trust, especially in facilities where seamless movement and accountability are critical.
